From Tuesday July 22, to Saturday July 26, 1800.

AT the Court at *St. James's*, the 23d of *July* 1800,

PRESENT,

The KING's Moſt Excellent Majeſty in Council.

WHEREAS by an Act paſſed in the Twenty-ſecond Year of His late Majeſty King Charles the Second, intituled "An Additional Act for the "rebuilding of the City of London, uniting the "Pariſhes, and rebuilding of the Cathedral and Pa-"rochial Churches within the ſaid City," taking Notice that great Exactions had been, and were exerciſed by Wharfingers and others employed about the Wharfage and Cranage of Goods landed or ſhipped off at or from the ſaid City of London; for Remedy thereof it was enacted, that ſuch Rates and no other ſhould from Time to Time be taken for Wharfage and Cranage, as well of Timber and other Materials for building, as of Coals and other Goods and Merchandizes, as by His ſaid Majeſty, with the Advice of His Privy Council, ſhould for that Purpoſe be aſſeſſed and allowed to be taken, a Table of which Rates ſhould be hanged up at every of the ſaid Wharfs reſpectively; and if any Wharfinger or other ſhould exact or demand, or directly or indirectly take or receive for Wharfage or Cranage, or by Colour thereof more than according to the Rates which ſhould be ſo aſſeſſed, or ſhould refuſe to ſuffer any Goods or Merchandize to be landed or ſhipped at, off, or from any Wharf or Wharfs within the ſaid City or the Liberties thereof at the Rates aforeſaid, ſuch Offender ſhould forfeit for every ſuch Offence the Sum of Ten Pounds to the Party or Parties thereby grieved, to be recovered with full Coſts of Suit, by Action of Debt, Bill, Plaint, or Information, in any of His Majeſty's Courts of Record at Weſtminſter or within the ſaid City of London, as the Cauſe ſhould ariſe, wherein no Eſſoin, Protection, or Wager of Law ſhould be allowed, nor any more than one Imparlance.

And whereas, no Table of Rates has been yet aſſeſſed or allowed for many Wharfs within the intent and meaning of the ſaid Act, but certain Rates have for a conſiderable Time been taken for Wharfage and Cranage at all the ſaid Wharfs reſpectively, which have been ſubmitted to as juſt and reaſonable although not aſſeſſed and allowed according to the ſaid Act: And whereas it has been repreſented to His Majeſty by the humble Memorial of a great Number of reſpectable Merchants and Traders of the City of London and its Vicinity, that the Wharfingers have lately circulated a new Table of Rates increaſed in an extraordinary Degree, and in ſome Inſtances more than double the former Charges, which, if ſubmitted to would be highly injurious to the general Trade in the Port of London: And whereas the Lords of His Majeſty's Moſt Honorable Privy Council having taken the Matter of ſuch Memorial into their Conſideration, and having been attended thereupon by Counſel on the Part of the Wharfingers, and by Charles Price, Eſquire, Alderman of the City of London, and others, on the Part of the Merchants; and their Lordſhips having heard all the ſaid Parties had to offer touching the ſame, came to a Determination to adviſe His Majeſty to eſtabliſh, under the Authority of the before-mentioned Act of Parliament ſuch Rates of Wharfage and Cranage as were actually paid on the Firſt Day of January One thouſand ſeven hundred and ninety-four; and their Lordſhips were pleaſed to direct that the ſaid Merchants and Wharfingers ſhould lay before their Lordſhips a correct State or Table of ſuch Rates of Wharfage and Cranage as were ſo paid on the ſaid Firſt Day of January One thouſand ſeven hundred and ninety-four; and a State or Table of ſuch Rates having been accordingly laid before their Lordſhips and admitted by the ſaid Merchants and Wharfingers reſpectively, to be a true Table of the Rates of Wharfage and Cranage paid on the ſaid Firſt Day of January One thouſand ſeven hundred and ninety-four, which Rates are as follows: videlicet,
